Next Friday 26th June, we are going to Danby Village Hall for a run through on stage of our upcoming summer play. Please can we ask that children be dropped off directly at the village hall between 8.45am and 9.00am and not at school that morning. Breakfast club is on as normal and any children attending will be taken down to the hall in staff cars.

We will all walk back to school in time for lunch and children can be collected from school at 3.30pm as normal. Thank you.

#### **Forest School**

On Thursday afternoon, children in the Juniors will be having their Forest School session. Please can all children wear long trousers and a long sleeved top even if the weather is hot. They also need to still bring wellies, gloves and waterproofs please. Thank you.

#### **Year 5 6 Quadkids**

Last Friday afternoon, children in Years 5 and 6 took part in a Quadkids event at Whitby School together with many other local Primary Schools. Well done to everyone for your team spirit and for putting in so much effort at the event.

#### **Creative Arts Day**

On Tuesday, the children were treated to a fantastic visit from 5 Creative Practitioners from Forge - North Yorkshire Cultural Education Partnership. It is part of a project they are developing: Creative Futures,

Creative Today, Creative Tomorrow which aims to support and celebrate the artistic engagement, creativity and aspirations of primary aged children in rural North Yorkshire.

The day began with the introduction to The Great Travelling Exhibition. Artists were in role as Professor Marvel, Mr Melody and Mechanical Mary. They performed their travelling show song and explained that they were lost in time and needed the children's help to update their show and teach them how entertainment works in the 21st century. This was great fun and the children loved it and got thoroughly immersed in the narrative! Then the children were split into groups and took turns throughout the day to make magnificent hats with Professor Marvel, learning and adding new verses to the travelling show song with Mr Melody and creating moving tableaux and introducing the acts for the updated show with Mechanical Mary. Just before lunch there was a Great Travelling Show parade where everyone was brought together to show all the work they had created.

It was a wonderful day and everyone thoroughly enjoyed the experience, a huge thank you to everyone who made this day happen.

### **The Fiver Challenge!**

Thank you to everyone who has returned the form for the Fiver Challenge so far. If you haven't already done so, please return to school on Monday. A reminder that the form needs to be completed regardless of whether your child wishes to take part in the challenge or not. If they are not taking part, please return the form and the £5 note that your child bought home.

Thank you also to everyone who has requested a stall at the Summer Fair this Saturday for the Fiver Challenge. If anyone has their own small table to bring along, please feel free.

### **The Big Sing**

The whole school went to Whitby Pavilion on Thursday for The Big Sing. This event is registered as part of the global Make Music Day celebration and runs in collaboration with Rebecca Denniff BEM and the team at Flash Company Arts.

The BIG SING offers children the chance to perform on stage in a low-pressure, encouraging environment, as well as taking part in a shared singing experience with hundreds of other young people. This year's theme was POP! During the day the children sang shared songs that focussed on upbeat pop songs that we all enjoyed singing together, and included the return of our traditional finale, Count On Me.

A great day was had by all!

### **Safeguarding Children Telephone Number**

If you have a safeguarding concern about a child, please note that from the 1st April 2023, the main customer service line for the new North Yorkshire Council will be changing. The new number will be **0300 131 2 131** and will replace the old 01609 780780 number. This will mean that all contacts for referrals for children within North Yorkshire need to go through the 0300 131 2 131 number. **This includes any contacts out of hours for the Emergency Duty Team.**

The contact number for the professionals line will remain the same 01609 535070.

The updated details regarding making a referral for a child in North Yorkshire have been updated on our website ([www.safeguardingchildren.co.uk/about-us/worried-about-a-child](http://www.safeguardingchildren.co.uk/about-us/worried-about-a-child)).

### **Adverse weather conditions**

Just a reminder that this week we sent out a reminder of our school policy in the event of adverse weather conditions. We are also asking that everyone completes a 'Safe place' form so that we have an alternative place logged for your child to go to should the school need to close during the school day. Please complete this form and return to the school office as soon as possible.

We have been asked to share the following link with you from the North Yorkshire Children and Families Service:

### **Mobile Phones, Smart Watches and Devices**

Mobile phone and smart watch technology has advanced significantly over the last few years and continues to evolve. Many phones and smart watches now offer internet and e-mail access, alongside standard functions of messaging, tracking, camera, video and sound recording. We are also seeing an increase in Smartwatch 'look-alikes' which have games and activities on which are proving a distraction to learning and are time consuming for teaching staff to monitor.

**Smartwatches and Smart-Watch lookalikes** are therefore **not permitted** to be worn to school in line with the recent change in Government guidelines.

However, in line with our passion for helping children to tell the time, a standard analogue or digital wrist watch may be worn. If you are unsure whether your child's watch is appropriate, you are welcome to check in with a member of staff.

Smart Watches and devices that are brought to school for any reason will be kept safely until the end of the school day.

For a reminder of our school uniform please see our website page [here](#)

### **My Happy Mind**

Just a reminder that you are able to access the [Parent App](#).

The children's engagement in our My Happy Mind project has been a huge success in school so far. Accessing the Parent App would help to reinforce the strategies taught in school at home and strengthen the positive habits that we are trying to encourage in our children.

### **'Pharmacy First' availability for minor illness / ailments in children**

Parents and carers in Humber and North Yorkshire are being reminded to use their local community pharmacy this summer, if their child needs help with minor illnesses or ailments.

The NHS 'Pharmacy First' service allows children to access treatment for five common conditions from their local pharmacy, without needing a GP appointment.

Children can receive NHS treatment, including antibiotics where appropriate, for five common conditions including:

- impetigo (aged one year and over)
- infected insect bites (aged one year and over)
- earache (aged one to 17 years)
- sore throat (aged five years and over)
- sinusitis (aged 12 years and over).
- The aim of Pharmacy First is to make it easier for people to get the help they need and free up millions of GP slots.

Parents can simply walk into a participating pharmacy and request a consultation for their child. If further treatment is needed, pharmacy teams will signpost families to the most appropriate local health service.

Hayley Patterson, NHS Humber and North Yorkshire ICB's Pharmacy Lead, said: "As the school holidays approach, we are encouraging parents and carers to think 'Pharmacy First' if their child is unwell, allowing them to be seen quickly and conveniently at their local pharmacy.

"The scheme enables community pharmacists, who are trained health professionals, to supply prescription-only medicines, where clinically appropriate, to treat five health conditions for children which would previously have required a GP appointment."

The Pharmacy First scheme is also available for adults and covers the following seven common conditions:

- sinusitis (adults and children aged 12 years and over)
- sore throat (adults and children aged five years and over)
- earache (children and young adults aged one to 17 years)
- infected insect bite (adults and children aged one year and over)

- impetigo (adults and children aged one year and over)
- shingles (adults aged 18 years and over)
- uncomplicated urinary tract infection (women aged 16 to 64 years).

To find a local pharmacy to you visit the [NHS website](#)

There's further information about what pharmacies can do at [Let's Get Better](#)
