None	None
Personal Blurb: My name is Clara Pickard and I have been involved with St Hilda's Moorland Federation Governing Board since it was established in September 2021. Prior to this, I was involved with Egton Primary School Governing Board as a Parent Governor and welcomed the formulation of federating our two schools and appreciated the benefits of this with our children, families, and rural communities. All my children have attended Egton School and transitioned positively to secondary education. I am passionate about creating opportunity for children in our area to receive an excellent education, long-lasting friendships, and the best possible chances to succeed into adulthood. I recognise the importance of parents and carer givers being fully involved in their child's learning journey and aspirations and appreciate our role in promoting this. I have worked in primary education and as an Early Help Practitioner with North Yorkshire Council. I am currently studying a BA Honors Degree in Social Work which has embedded many transferrable skills which support my role as joint Safeguarding Governor working with St Hilda's Moorland Federation Governing Board.
