Personal Blurp: <p>Hi my name is Fiona Motteu! I have been teaching at Danby school for over 14 years and have lived in the area for over 10 years. I am delighted to be working in such a lovely small village school and have enjoyed seeing the school grow. I completed my degree in teaching in the south of England. I am married and have 2 teenage boys which keep me very busy. I was brought up in Germany. Due to being brought up there and still having family connections over there I still spend a lot of my free time in Germany. I love the culture and countryside of the country and enjoy exploring new places. I enjoy reading and various sporting activities and spend a lot of my time in the great outdoors.</p>
